

WEEKLY MEDIA REVIEW (NO.21/93)

- Prepared by King CHENG

1. The funeral of Mr Stephen Cheong, a Founding Council Member of UST  
The media continued to report extensively throughout the week on Mr Cheong's sudden death on 17/5 and his funeral on 25/5. Our press release on his contribution to UST issued on 20/5 was picked up by Wen Wei Po, Ta Kung Pao and United Daily on 21/5. HK Commercial Daily (21/5) published the list of members of the funeral organising committee. VC/P was also a member.
2. UST and UCLA jointly offer a 3-day executive programme on International Financial Risk Management Course  
Our press release issued earlier on this course (27-29/5) was also picked up by the New Evening Post (18/5).
3. Dr Leonard Cheng of Finance and Econ. talks about the MFN and the Chinese economy  
TVB interviewed Dr Cheng on this topic for their news programme (25/5).
4. "Digital backs university research"  
The Standard (17, 20/5) and 10 Chinese papers (14-24/5) reported that three local tertiary institutions, included UST, CUHK and CPHK, had been selected to take part in Digital Equipment Corporation's worldwide Alpha Innovator's Programme. Our press release on this was issued on 18/5. The UST project is led by Dr C M Lee of Computer Sci.
5. VC/P inaugurates the first executive committee of UST's Student Union  
Wen Wei Po (13, 16/5) and Sing Tao Daily (14/5) reported this. Our press release was issued on 12/5.
6. The William Mong Semiconductor Clusters Lab. established at UST  
The Standard (22/4) also covered our presentation ceremony on 21/4 to mark this donation.  
(We received the clipping a few days ago.)
7. CUHK students are dissatisfied with the way department heads are selected  
Pai Shing Weekly (14/5) carried an extensive feature on this. The magazine also mentioned the policy on the appointment or selection of department heads at HKU, UST, Baptist College, HKP and CPHK.
8. "What is the new mascot for UST?"  
This was one of the questions asked by the host of the Academic Quiz programme on ATV (Chinese) (22/5).
9. UST sponsors study mission on textile finishing  
HK Productivity News (3/93) reported that the HK Productivity Council was organizing a high-level study mission on textile finishing to the USA on 21-30/4. UST was one of the sponsors.
10. "HK's Brain Gain"  
Northwest Airlines' World Traveller magazine carried a feature on the return of academics and professionals to HK. VC/P was cited as an example. The magazine also gave an introduction on UST.
11. "Top scholars form China studies foundation"

The Standard (29/4) reported that the recently formed Foundation of China Studies, aiming to advance humanities and social science research in China through research and field work, was established by a group of top scholars from HK, China and Taiwan. VC/P is one of the members.

(We received the clipping a few days ago.)

12. Professor Roland Chin talks about robot vision  
The Standard (20/4) carried a feature on Professor Chin's talk on robot vision given at HK Science Museum on 28/3.
13. Mr Jack Lau of Electrical & Elect. Eng. talks about Intel's Pentium Microprocessor  
HK Economic Journal (18/5) carried this article written by Mr Lau.
14. Dr Joseph Lin talks about "game theory" and economic strategy  
HK Economic Journal (19/5) carried this article written by Dr Lin.

Note:

This review is mainly based on newspaper clippings on UST received within the week. Enquiries and suggestions can be made to office of Public Affairs (ext. 6305 or ext. 6306). A set of the clippings is available in the Reference Section of the Library (where items may be photocopied if desired). This review is for information only. All information recorded here is as reported in the original articles. Names and terms are translated from the Chinese as best we are able when official translations are not immediately available. The only English dailies in HK are South China Morning Post (SCMP) and the Standard.
