**HK UNIVERSITY OF SCIENCE & TECHNOLOGY
PRESENTS
INTERNATIONAL FINANCIAL RISK MANAGEMENT COURSE**

The Hong Kong University of Science and Technology (HKUST) and the University of California, Los Angeles (UCLA) jointly offers a three day executive programme on "International Financial Risk Management" from May 27 to 29, 1993. It focuses on the practical application of the latest advances in analysing and managing risks in an international setting.

The programme will cover topics on financial decision in an international setting, taxes and corporate decisions, the hedging decision and strategies, and the measurement of exchange risk. It provides a framework for analysing and effectively managing risks in a global environment.

The HKUST-UCLA Executive Programme involves distinguished scholars from the Anderson Graduate School of Management at UCLA, the Hong Kong University of Science and Technology and the Australian Graduate School of Management in Sydney.

A prestigious Certificate jointly issued by HKUST and UCLA will be presented to participants at the conclusion of the programme.

For registration information, please call Ms Winnie Wong at 3587541. Questions about the contents of the programme can be directed to Dr Bhagwan Chowdhry at 3587678.
