HKUST SEMINARS IN EDUCATION EXPO

The Hong Kong University of Science and Technology (HKUST) will present four seminars to introduce the Schools and Departments, and the courses they offer, in the coming Education and Careers Expo '93 at the Hong Kong Convention and Exhibition Centre. Interested parties are welcome to attend.

Details of the seminars are as follows:

18 February, Thursday 2:30-3:20 p.m.
"HKUST Undergraduate Studies: Science and Engineering"

19 February, Friday 2:30-3:20 p.m.
"HKUST Undergraduate Studies: Business and Management"

20 February, Saturday 1:20-2:10 p.m.
"HKUST Postgraduate Studies: Science, Engineering, Humanities and Social Science"

21 February, Sunday 1:20-2:10 p.m.
"MBA and PhD Programmes in the School of Business and Management at HKUST"

All seminars will be presented in English and Cantonese by professors and lecturers of HKUST. Staff from the Admissions Office will be available at all seminars to answer enquiries regarding admission to HKUST.

The Education and Careers Expo '93 is jointly organised by the Hong Kong Trade Development Council and the Labour Department. The Right Honourable Christopher Patten, Governor of Hong Kong, will officiate at the Opening Ceremony on Thursday, 18 February at 10:30 a.m. in the Hong Kong Convention and Exhibition Centre. Information concerning tertiary education and career prospects, both local and overseas, will be presented in the exhibition.
