

Congratulations to all the 517 undergraduate students who have been placed on the Dean's List for the Fall Semester 2006-07 in recognition of their outstanding academic achievements.

To earn a place on the List, students need a semester grade average of 10.00 or higher from 12 credits completed in the semester, and no failures in any enrolled course. Students who satisfy these requirements receive a letter from the Dean of their school notifying them of their success, and the achievement is recorded on their student transcript.
